

COMMITMENT SALE INFORMATION

Do you know what you want to buy in the After Auction Sale?

Would you like to avoid the mad rush at the table after the auction is over?

Are you a relative or sponsor of a student and want to purchase their project?

Are you busy with other committees and can't make the auction or after sale, but would love to support one of our outstanding FFA members by purchasing their project?

Would you love to see the students that just missed making the auction with their project get a little bit more money for their efforts?

Then we have just the thing for you...THE COMMITMENT SALE!! The Commitment Sale process allows you to go online from the comfort of your home or office (even from your mobile device) at www.pasadenarodeo.com and fill out a form to put your name on a list to purchase the exhibit of your choice.

You can choose to purchase the project of a specific student or you can purchase just a specific type of exhibit. Maybe you really love to eat goat, you can purchase one goat or five goats on one form! Remember this is first come, first serve. We won't know until after the students show their animals how many we will have to sell. Not every student chooses to put their exhibit into the sale process. The sooner you complete the form, the more likely you are to get exactly what you want.

The online form is pretty easy to complete. We just need a little information about you as a buyer so that we can contact you about your purchase and bill you for it once the list is finalized. After we get some info about you, the form lets you tell us exactly what you want. If you just want to purchase your grandson's lamb and if his lamb is not available you don't want to purchase anything, then click on "Student Only Commitment", click on one lamb and tell us your grandson's name. If you still want a lamb even if your grandson's lamb isn't available (maybe he made auction!), then click on the "Student/Open Commitment" button, tell us your grandson's name and pick one lamb. Maybe you want six goats to cook in your next cook-off competition, then click on "Open Commitment", click on goat, choose a quantity of six goats, and we will pick the best six goats available and assign them to you.

The next section of the forms tells us what you want to do with the animal you hope to purchase. You can tell us which processor you prefer to use, you can donate to your favorite charity. (Boys and Girls Harbor, Sarah's House, Milton Stanley Junior Foundation and The Bridge are some of our past buyers favorites.) You can donate the animal back to the student or their FFA chapter. If you want a goat to live happily ever after in your back yard, we even have that option available.

After you complete the form, you will receive an email with all of the details on it. An email also goes to the Livestock Committee letting them know you have completed a form. These forms are all time/date stamped, so the first come, first serve format is assured. An email also goes to a secured email address that only the webmaster can access, so that we have a second record of every order placed.

Please go to the website and check out the form. Contact us at livestockshow@pasadenarodeo.com if you have any comments, questions or concerns about the process. Thank you in advance for supporting the youth in our communities for the past 66 years! We are working hard to make our 67th year the best yet!

Regards,

PLSR Livestock Committee
